Dear Madam:

The Issue Fee and Publication Fee for the above-identified application were timely paid, and the above-identified patent subsequently issued on the date indicated above. However, the projected publication date set forth in the Filing Receipt for the application is February 10, 2005. Since the patent has clearly issued "in sufficient time to be removed from the publication process" (37 CFR 1.211(a)(3)), please refund of the \$300 publication fee pursuant to 37 CFR 1.211(e) and credit it to our Deposit Account 18-0002.

Thanks

Robert H. Berdo, Jr.
